

ERRATA

Please, replace Acknowledgements on p. 139 with the following correct version:

Acknowledgements: We are very grateful to two anonymous researchers for their critical comments to this article. We also thank the Chenqing Forestry Center, Sunwu County, Heihe City, Heilongjiang Province, China for facilitating this study. Foundation was provided by the National Natural Science of China (30430130).

Please, replace Table 1 on p. 152 with the following correct version:

Table 1. Species differences, differences between upper and lower parts of the crown, and diurnal differences in photosynthetic water use efficiency, PWUE [µmol mmol⁻¹], stomatal conductance, gs [kmol m⁻² s⁻¹], xylem water potential, Ψxylem [MPa], specific leaf area, SLA [m² kg⁻¹], leaf nitrogen content [g kg⁻¹], leaf area [cm²], and leaf thickness [mm]. Means±SD. Statistical differences between morning and midday values of PWUE and gs were significant at p<0.05 with the exception of lower PWUE of Dryobalanops.
